Course Overview

Your leadership team should consider the human side of change during the transition process and develop a plan to anticipate and address it. Furthermore, you should expect these changes to create a certain amount of workplace conflict and be prepared to manage it, making it a productive rather than disruptive force.

If you want to gain a solid understanding of Change Management and Conflict Resolution and fast track your dream career, then take a step in the right direction with this industry-standard, comprehensive Change Management and Conflict Resolution course designed by expert instructors.

At the heart of this Change Management Strategies and Conflict Resolution Training course, we use trusted tools to measure your personal style when in conflict, and we will coach you through the issues that arise from the results of the tests.

In this extending and insightful course, we use the famous Thomas Kilmann (TKI) Conflict Resolution Instrument. This tool has been utilised by all top organisations to create collaborative teams for excellent performance.

Course Objectives

At the end of the Change Management Strategies and Conflict Resolution Training course:

- Understand the main sources of conflict
- Analyse and understand the nature of conflicts
- Describing appropriate techniques to manage conflict
- Utilise the Thomas Kilmann Model for greater awareness and effectiveness.
