Course Overview

Understanding human emotions and feelings are crucial for successful management, and it requires not only a high IQ but a high level of emotional intelligence (EQ). A true leader has to understand the impact of emotions on the performance as well as be able to handle the feelings of both himself and others. As the pace of the world increases, and our environment makes more and more demands on our cognitive, emotional, and physical resources, Emotional Intelligence is an increasingly critical skill set for a true Leader.

Emotional Intelligence: EQ for Innovative Leadership and Corporate Teamwork training course materials and provides participants with the competencies required to improve their Emotional Intelligence (EI) on their way to becoming unexcelled Leaders.

Participants explore the importance of EI at both professional and social levels; they master the art of understanding others' feelings and the ways to increase the effectiveness of their relationships at work and in life. You'll study how to maintain positive collaborative relationships and overcome resistance and negativity. The course also covers various tools and techniques to help you perform your role as a Leader and manage emotions with confidence.

Course Objectives

At the end of Emotional Intelligence: EQ for Innovative Leadership and Corporate Teamwork training course, you will be able to :

- Develop interpersonal skills such as self-awareness, which is the ability of an individual to recognize and understand one's moods, emotions and drives as well as their impact on others
- Cultivate empathy or the ability to understand the emotional make-up of other people and skill in responding according to their emotional reactions
- Develop interpersonal skills which indicate the individual's proficiency in managing relationships and building networks
- Develop skills in responding to criticisms and adversity
- Leadership strategies for working with others towards shared goals

Target Audience
